Wed, Nov 23, 2022 at 12:36 PM

Protocol: 2023-0164
Race and North Carolina Sentencing Guideline Compliance

Researcher(s):
Eubank, Nick - Advisor
Khowaja, Preet - Graduate student researcher
Cabello, Clarissa - Graduate student researcher
Hou, Dorothy - Graduate student researcher
Zhou, Chuhan - Graduate student researcher

Check-In Date: 11/22/2023

The researchers listed on this protocol agree to:

1. Conduct the research in accordance with the approved protocol.
2. Secure approval before making any [changes to the protocol](#), such as adding a new source of funding, adding a subject population, revising procedures, modifying the informed consent process, or replacing or adding investigators.
3. Renew the protocol within [ten days prior to the check-in date](#) noted above.
4. Report any [unanticipated risks to the research subjects or deviations from the procedures](#) described in the protocol to the [IRB Staff](#) as soon as they are identified.
5. Notify the [IRB Staff](#) when the research is completed.
6. Retain your original research data and signed consent forms for at least five years, in accordance with Duke's Policy on Research Records, Sharing, Retention, and Ownership. ([Faculty Handbook, Appendix P](#))

All consent processes should include the Protocol ID (2023-0164). Including the Protocol ID in each consent process will help participants identify the study in case they need to contact the research team or IRB. If your consent processes do not include the Protocol ID#, please add them at this time.

Adding the Protocol ID# to consents does not require an amendment.
